Edina Concert Choir Tours

New York City

April 21 - 24, 1994

On Thursday, April 21, 72 students and 12 adults traveled to New York City for the annual Concert Choir Spring Tour. The choir performed major concerts at St. Patrick's Cathedral, Saint John the Divine, and Holy Trinity Church. The performances were well attended and extremely exciting for the choir members.

We were given "royal" treatment at St. John the Divine. The Bishop of New York, Richard Grein, has a nephew (Andrew) in the Edina Concert Choir. This Cathedral is the largest gothic structure in the world. The Concert Choir performed a full one-hour concert at St. John the Divine.

The choir was also fortunate to see two Broadway shows: *Tommy* and *Guys and Dolls* while in New York. The rest of the tour was filled with sight-seeing and wonderful restaurants.

The Concert Choir would like to thank the choir parents and Edina residence for supporting our fundraising efforts. This tour would not have been possible without your generous support.

*Best Wishes
to the
Edina Concert Choir
